

*Canadian Chapter SVN
10th Anniversary*

**CCSVN 10th Annual
Vascular Nursing Conference**

**Fairmont Vancouver, Vancouver, British Columbia
September 22-24, 2010**

Objectives

This program has been designed to provide nurses and allied health professionals with a review of current topics in vascular education, research and care. At the conclusion of the symposium, the participants will be able to:

- Describe strategies to promote well-being and health for patients with acute and chronic vascular diseases.
- Discuss management options for patients with vascular diseases.
- Describe "best practice" and current trends in care delivery for patients with vascular diseases.

Continuing Nursing Education

An application has been submitted to the Georgia Nurses Association for approval of 13.25 contact hours (Day 1- 4.5 hours, Day 2- 5.25 hours, ABI/Foot Assessment workshop 3.0 hours, Dinner Symposium 0.5 hours). For more information contact: Elizabeth Pawlowski at CCSVN, 416-864-6060 Ext 7157 or PawlowskiE@smh.ca

Registration Fees

Includes scientific sessions, wine and cheese welcome reception on Wednesday evening, continental breakfast, lunch and breaks on Thursday and Friday.

Faculty

Key Note Speaker

Michelle Cederberg MKin, CEP, Calgary, Alberta
Health & Productivity Expert

Michelle Cederberg leads the industry for life balance, health, and stress management programs, resources, and tools that actually conquer procrastination, fatigue, and loss of motivation. Her expansive education and experience combined with her unique products, platform skills and messaging will ensure individuals and corporations understand that "It's not the doing that's tough, it's GETTING TO IT!" and she helps you figure out how. With a Masters in Kinesiology, a BA in Psychology, and a specialization in Health and Exercise Psychology, Michelle combines mind, body, and practicality to inspire change! She has built her career since 1990, as a college educator, personal trainer, fitness coordinator, author, and business owner. Michelle shares her experiences in a humorous and realistic way with delighted audiences across North America.

Associate Professor, University of Minnesota School of Nursing

Vancouver

"Surrounded by water on three sides and nestled alongside the Coast Mountain Range, Vancouver is the largest city in the province of British Columbia with over half a million residents and one of the mildest climates in Canada. Home to spectacular natural scenery and a bustling metropolitan core, Vancouver was Host City to the Olympic and Paralympic Winter Games in 2010. Whether just relaxing in a park or bike riding around the seawall, there is always something to do in Vancouver". <http://vancouver.ca/visitors.htm>

Join us for our 10th Anniversary!

About CCSVN...

The Canadian Chapter Society for Vascular Nursing was formed in 2000 to meet the needs of the Canadian Vascular Nurse. CCSVN is under the umbrella of The Society for Vascular Nursing an international organization dedicated to professionalism and excellence in practice. CCSVN was incorporated in 2004. Over the past 10 years, CCSVN has:

- Hosted 10 National Conferences
- Awarded 18 Travel Scholarships
- Awarded 5 Marge Lovell Awards

A Change is Coming...

In honour of our 10th anniversary, CCSVN will be announcing some very exciting changes! Join us in Vancouver to find out about these exciting changes.
