

## Who should attend?

Nurses working in cardiology, cardiovascular or vascular surgery interested in preparing for the 2012 CNA CV Nursing certification exam to be written April 21, 2012 will find this to be a comprehensive review of the exam content.

Nurses who already have CV or Critical Care Nursing certification and are seeking recertification activities. The review program provides 22 hours of learning activity. Certificates of attendance will be available to attendees.

Nurses working in cardiology, cardiovascular or vascular units will find this program to be an outstanding opportunity to review and update your knowledge of aspects of care.

## How do I register?

Email

[Khuswant.Cheema@uhn.ca](mailto:Khuswant.Cheema@uhn.ca)

And provide your name, contact information, and where you work.

### Cost:

(includes morning and afternoon refreshments and printed materials). Lunch is on your own.

Make your cheque payable to 'University Health Network' and send to Khushwant Cheema, EN1-812, Toronto General Hospital, 200 Elizabeth Street, Toronto, M5G 2C4

\$150.00 for the 3-day program or \$50.00 per day (*based on early registration and payment before Jan 21, 2012*). Registration and payment after Jan 21, 2012 is \$210 for the 3-day program or \$70.00 per day. If you are unable to attend the course but wish to purchase the course syllabus, the cost is \$50.00 + shipping and handling (syllabus available late February).

You will receive an email confirming your registration and payment.

**After Jan 21, 2012 there is a non-refundable cancellation fee of \$50.00.**

**Seating is limited so register early to avoid disappointment.**
